

ACTIVITY REPORT

National Cadet Corps (NCC) Social Service and Community Development

INSTITUTION: V C College, Karads

UNIT: 19 MAH BN NCC KARAD

DATE OF ACTIVITY: 30 December 2025

ACTIVITY TYPE: Social Service and Community Development (SSCD) - Field Maintenance and Sanitation Drive

REPORT SUBMITTED TO: Competent Authority

SUBMITTED DATE: January 01, 2026

1. EXECUTIVE SUMMARY

The National Cadet Corps (NCC) unit at V C College, Karads conducted a comprehensive field maintenance and sanitation drive on 30 December 2025. The activity was aimed at preparing the play field and obstacle course field for student use, instilling social responsibility, promoting community welfare, and developing leadership qualities among cadets. This report documents the successful execution of the Social Service and Community Development activity as per NCC curriculum guidelines.

2. OBJECTIVES OF THE ACTIVITY

The Social Service and Community Development (SSCD) activity was conducted with the following objectives:

- **To instill social responsibility:** Developing a sense of duty and commitment toward community welfare among NCC cadets
- **To promote discipline and team work:** Fostering coordination, cooperation, and unity among participating cadets
- **To maintain institutional infrastructure:** Ensuring cleanliness and proper maintenance of college facilities for student benefit
- **To enhance leadership qualities:** Providing practical opportunities for cadets to demonstrate leadership and initiative
- **To develop dignity of labour:** Creating appreciation for manual work and its contribution to community development

- **To promote environmental awareness:** Encouraging sustainable practices and cleanliness standards in the college campus
- **To align with NCC curriculum:** Fulfilling mandatory SSCD components as per National Cadet Corps training protocols

3. ACTIVITY DESCRIPTION

3.1 Field Preparation Activities

The NCC cadets undertook comprehensive maintenance and sanitation activities for two critical sports facilities:

Play Field:

- Removal of debris, dry grass, and unwanted vegetation
- Leveling and raking of field surface
- Removal of stones and foreign materials
- General cleaning and hygiene maintenance
- Preparation of field boundaries and markings

Obstacle Course Field:

- Inspection and maintenance of obstacle structures
- Removal of debris and waste materials
- Clearing of drainage pathways
- General sanitation and cleanliness drive
- Safety assessment of training equipment

3.2 Scope and Scale

The activity was conducted on a significant scale with comprehensive participation:

Parameter	Details
Assistant NCC Officer(s)	3 (ANO-3)
Supporting Staff	11 (STAFF-11)
NCC Cadets Participated	52 cadets
Total Participants	66 individuals
Duration	Full-day activity
Supervision	Under direct guidance of ANO and supporting staff

4. PARTICIPATION DETAILS

4.1 Organizational Structure

The activity was well-organized with clear responsibility distribution:

- **Administrative Supervision:** 3 Assistant NCC Officers (ANO) coordinated planning and execution
- **Operational Support:** 11 supporting staff members assisted in supervision and task management
- **Active Workforce:** 52 NCC cadets actively participated in field preparation and sanitation

4.2 Cadet Participation

All 52 NCC cadets from V C College, Karads unit actively participated in the sanitation drive. The cadets demonstrated:

- **Commitment and dedication** to assigned tasks
- **Discipline and punctuality** in following instructions
- **Team spirit** through collaborative effort
- **Physical fitness** during sustained activity
- **Social consciousness** toward environmental cleanliness

5. METHODOLOGY AND EXECUTION

The activity was executed following standardized procedures:

Pre-Activity Planning:

- Identification of target fields requiring maintenance
- Assessment of required resources and materials
- Division of cadets into organized work groups
- Brief on safety protocols and activity objectives
- Assignment of specific tasks and responsibilities

Activity Execution:

- Systematic division of work areas among cadet groups
- Coordinated effort under ANO supervision
- Continuous monitoring of task completion quality

- Adherence to safety standards throughout activity
- Regular breaks and refreshment provisions

Post-Activity Assessment:

- Verification of task completion standards
 - Feedback and recognition of cadet contributions
 - Evaluation of activity objectives achievement
 - Documentation and reporting
-

6. OUTCOMES AND ACHIEVEMENTS

6.1 Primary Outcomes

Infrastructure Development:

- Play field prepared and made ready for sports activities
- Obstacle course field sanitized and maintained for training use
- College sports facilities enhanced for student benefit
- Safe and hygienic environment created for physical activities

6.2 Cadet Development Outcomes

Character and Leadership:

- Enhanced sense of social responsibility among 52 participating cadets
- Demonstrated commitment to community welfare
- Development of team leadership and coordination skills
- Practical application of NCC disciplinary principles

Skill Development:

- Experience in organized field maintenance operations
- Understanding of environmental conservation
- Practical knowledge of infrastructure care and management
- Development of work culture and dignity of labour

Values and Attitude:

- Strengthened commitment to national service
- Enhanced appreciation for manual work
- Development of team spirit and cooperation

- Commitment to maintaining public spaces and facilities

6.3 Community Impact

- Creation of safe and clean sports facilities for student community
 - Demonstration of institutional commitment to facility maintenance
 - Development of positive institutional environment
 - Promotion of health and physical fitness infrastructure
-

7. ALIGNMENT WITH NCC CURRICULUM

This activity perfectly aligns with the NCC curriculum objectives:

Curriculum Component: Social Service and Community Development (SSCD)

Key Alignment Points:

- Direct fulfillment of SSCD training objectives as per NCC guidelines
- Practical demonstration of community welfare principles
- Integration of leadership training with social responsibility
- Promotion of "Unity and Discipline" - NCC's core motto
- Development of cadets as responsible citizens

NCC Training Mandate Fulfillment:

- Cadets engaged in constructive work beneficial to community
 - Development of interest in community development activities
 - Practical experience in organized group work
 - Application of discipline and military values in civilian context
-

8. RESOURCE UTILIZATION

8.1 Human Resources

- **ANO-3:** Overall coordination and supervision
- **Staff-11:** Task supervision and support
- **Cadets-52:** Active participation and task execution

8.2 Equipment and Materials

Standard field maintenance equipment was utilized including:

- Cleaning and sanitation tools

- Raking and debris removal equipment
 - Waste collection containers
 - Safety equipment and protective gear
 - Hydration and refreshment provisions
-

9. CHALLENGES AND SOLUTIONS

Weather Conditions:

- Successfully managed field conditions through organized scheduling
- Ensured regular breaks and adequate water supply to cadets

Scale of Work:

- Systematic division of workforce into manageable groups
- Clear task assignment and progress monitoring

Equipment Availability:

- Efficient utilization of available institutional resources
 - Adequate organization and coordination of equipment use
-

10. LESSONS AND LEARNING OUTCOMES

For Cadets:

- Practical understanding of community service and social responsibility
- Development of physical stamina and work endurance
- Enhancement of team coordination and leadership capabilities
- Appreciation for infrastructure maintenance and facility care
- Understanding of organized group work methodology

For Institution:

- Demonstration of effective NCC training implementation
 - Evidence of curriculum-aligned activity execution
 - Positive outcome in facility maintenance and student environment improvement
-

11. RECOMMENDATIONS

For future SSCD activities:

1. **Continuity:** Regular maintenance activities to sustain facility standards
 2. **Expansion:** Consider similar drives for other college facilities
 3. **Documentation:** Maintain photographic records of activities
 4. **Evaluation:** Systematic assessment of cadet learning outcomes
 5. **Stakeholder Engagement:** Increase awareness about NCC contribution to community development
-

12. CONCLUSION

The Social Service and Community Development activity conducted on 30 December 2025 at V C College, Karads exemplifies the NCC's commitment to developing cadets as socially responsible and disciplined citizens. The successful participation of 52 cadets under the supervision of 3 ANOs and 11 supporting staff members resulted in the effective preparation of the play field and obstacle course field.

This activity demonstrates:

- **Effective NCC Training Implementation:** Successful integration of SSCD curriculum components
- **Cadet Development:** Enhancement of leadership, discipline, and social responsibility
- **Community Service:** Tangible contribution to institutional infrastructure and student welfare
- **Institutional Excellence:** V C College's commitment to comprehensive cadet development

The activity reinforces NCC's role as a premier youth organization fostering national integration, discipline, and community development. The cadets' active participation and positive attitude toward social service exemplify the NCC motto of "Unity and Discipline."

JAI HIND!
