Field Visit for Project Report Preparation

The **Department of Commerce, Venutai Chavan College, Karad**, organized a **field visit** for the students of **B.Com. Second Year** on **24th February 2026** as a part of their academic activity for **project report preparation**.

The purpose of the visit was to provide practical exposure to students and assist them in preparing their project reports, which carry academic weightage. As per the schedule, students assembled in the college premises at **8.00 a.m.** and proceeded for the field visit at **8.30 a.m.** to **Koyana Dudh Sangh, Khodashi, Karad**.

During the visit, students observed the working system, management practices, and operational processes of the organization. They gathered useful information and data required for their project reports. The visit helped students to connect theoretical knowledge with practical aspects. Students actively participated in the visit and maintained discipline throughout the programme. They also collected relevant information through observation and interaction.

The programme was conducted successfully and proved to be beneficial for enhancing students' practical knowledge and understanding.

Objectives of the Programme

- To provide practical exposure related to project report preparation
- To develop understanding of organizational working and management practices
- To help students in collecting relevant data for their project work
- To enhance analytical and observation skills of students

Outcomes of the Programme

- Students gained practical knowledge of organizational operations
- Students were able to collect data required for project report preparation
- Improvement in analytical, observational, and reporting skills
- Better understanding of real-world business practices
