

# DEPARTMENT OF SOCIOLOGY

2014 -15

## Experiential Learning

---

### Report

Criminology is taught in B.A.III in the Department of Sociology. To understand the subject of criminology in a better way and to meet the inmates of the prison, the Department of Sociology d. Visited Yerawada Jail on 07/01/2015. During this visit, the students studied the daily routine life and work AND d of the inmates in the prison. Some prisoners narrated their personal experiences. The visit to Yerawada Jail proved to be extremely important in enriching the knowledge of the students as the visit gave the students an experience of prison life in the jail.
